

TALON

NINETEEN HUNDRED SIXTY-FIVE

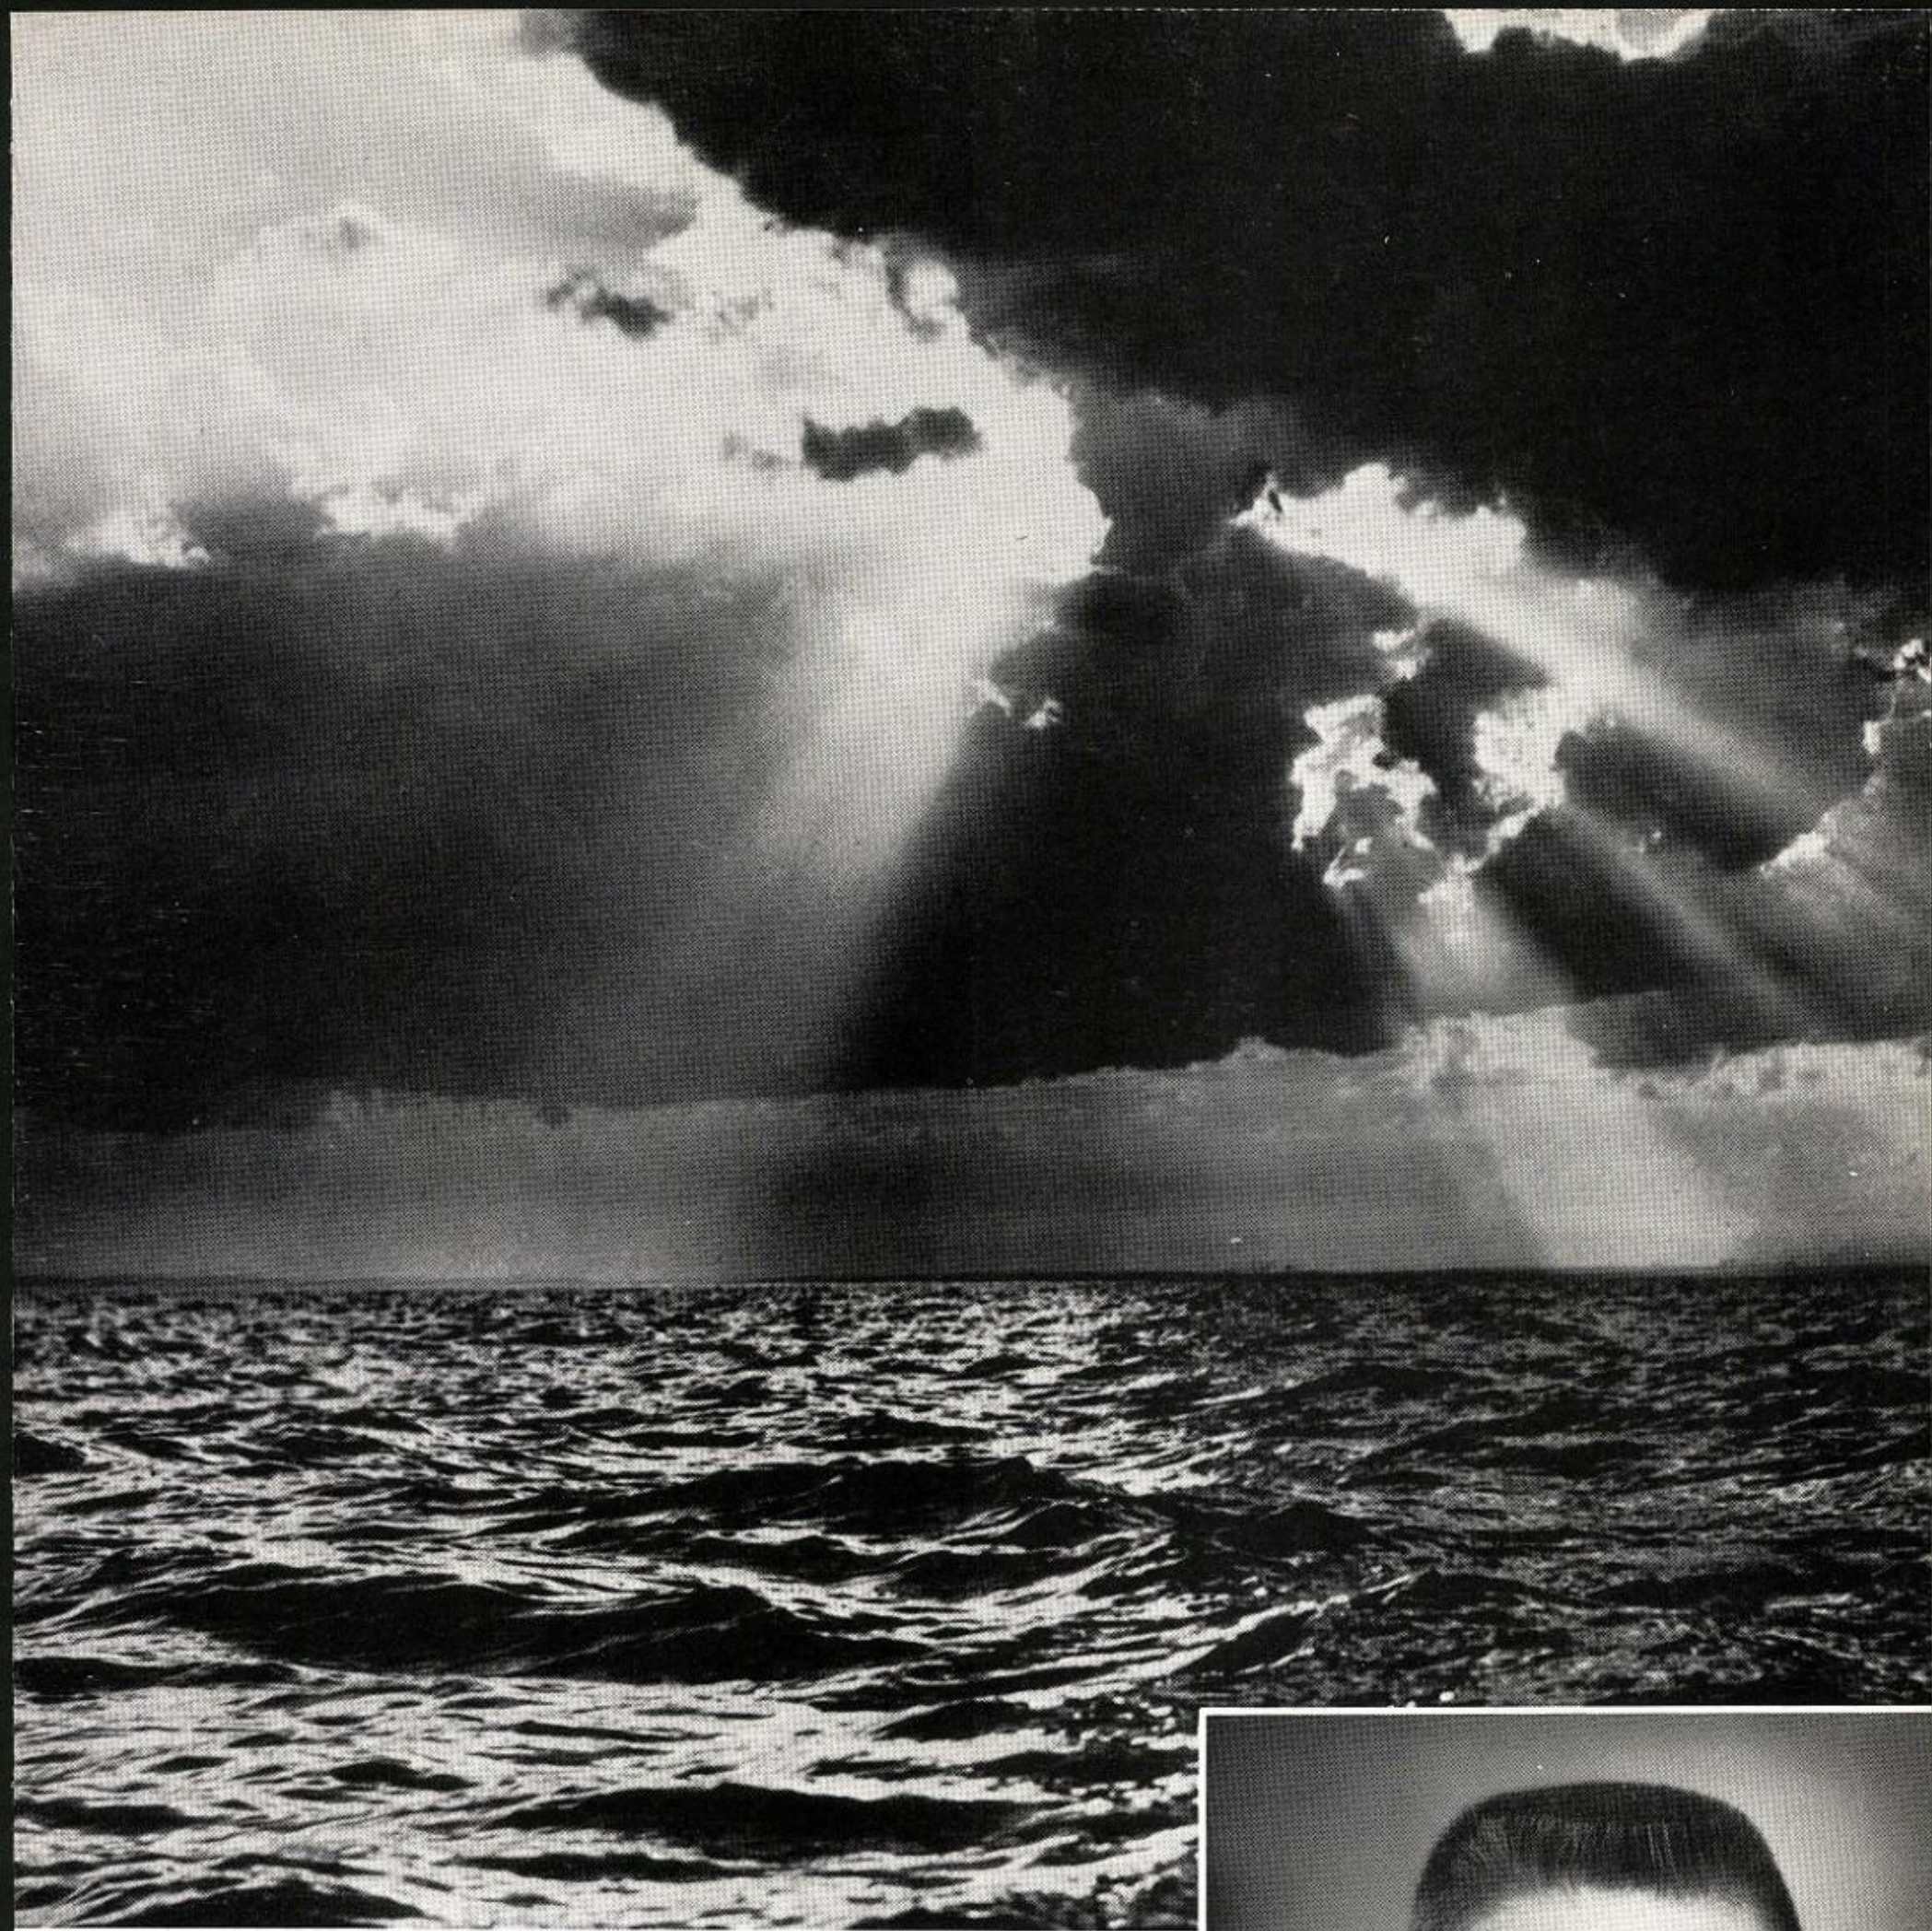

volume two
the south lewis junior-senior
high school
turin, new york

FOREWORD

Come along with the Senior Class and relive the memories of the past year: the joys, the sorrows, the work, the play. In these pages you will find not only our memories, but your memories; not only our experiences, but your experiences. In future years as you once again look through this Talon remembering your high school days, may these memories make your youth everlasting and may they add in some small way to the memory and fame of our alma mater.

DEDICATION

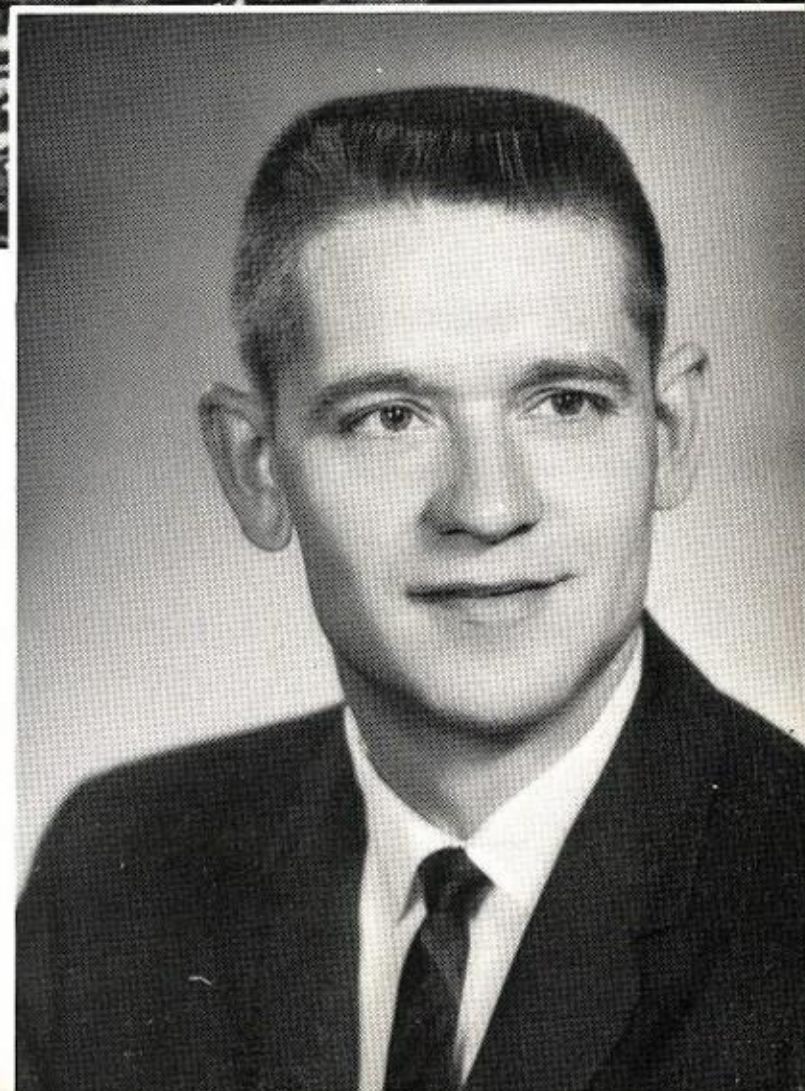

"Of high ideals and virtue was his speech
And gladly would he learn and gladly teach."

Chaucer's Canterbury Tales

We the Senior Class of South Lewis Jr. -Sr. High School dedicate our yearbook to Mr. Coe F. Dexter.

During the year he was our class advisor, Mr. Dexter showed his concern and dedication for our class at every opportunity. He didn't manage our class, he advised it, and being granted more freedom, we started to develop adult attitudes and adult responsibility. His unceasing energy and resourcefulness inspired us to set many and varied goals for our lives.

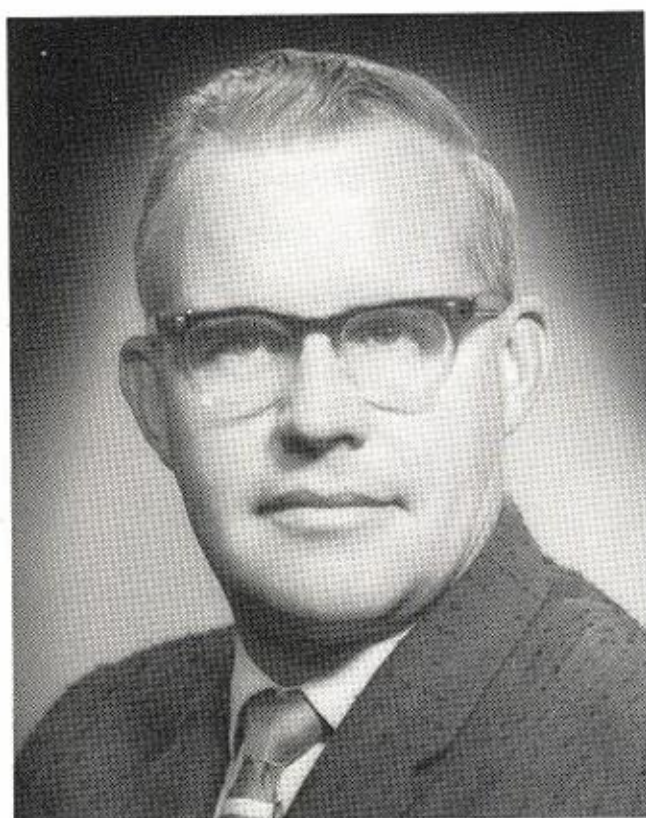

We know this dedication is a surprise to you Mr. Dexter, but we hope that it will in some small way show the high regard we have for you.

During your high school years, extracurricular activities have a large part in the formation of your personality, your likes and dislikes, and the type of person you will become.

In our school we are fortunate to have activities that will appeal to all types of people. For the artistic there is an art club, for the homemakers-to-be there is FHA, for the honor student there is the National Honor Society. The list is seemingly endless. No matter what your interest is, there is bound to be a club or activity suited to you.

Although these extracurricular activities are sometimes overlooked, they are major things which shape our lives for the future and should be entered onto with just as much energy and work as we devote (or should devote) to our homework.

The Falconettes are a group of sixteen girls specially selected from the Senior Chorus. To become a Falconette is not an easy task, for each prospective member must pass a private audition, then demonstrate how well she can fit in with the rest of the Falconettes.

These talented girls not only sing, but have regular routines and choreography for many of their numbers.

The director of the Falconettes is Mr. Murdock, who also organized the group. Since their beginning only one year ago, they have performed for several organizations around Lewis county, and in concerts here at the Junior-Senior High School. In August of 1964, the Falconettes were honored by being chosen to help represent Lewis County on Lewis County Day at the New York State Pavilion of the World's Fair.

THE Football Falcons opened their season at General Brown on a warm September Saturday. Knowing they were facing one of the league's top clubs the locals were determined to improve on the previous season's record despite many new men at key positions. Spotting their opponents a 13 point lead the South Lewis Club finally began to play up to their capabilities and move the ball. Dave Reed capped a 60 yard march plunging over from the two and the score read 13-6 at halftime. General Brown rammed in a quick score to open the second half and the two clubs battled evenly the rest of the way with the final score showing the homesters out in front by a 20-6 margin.

KNOWING they were a better team than they showed the previous week the Falcons ran a spirited week of practice sessions in preparation for their first home game. Alexandria Bay, a traditional league powerhouse, was the opponent as the South Lewis boys inaugurated the new gridiron at Turin. Determined to baptize the field in proper style the home team was a different ball club, blocking and tackling crisply. Early in the game Dave Reed turned the corner and raced 50 yards to paydirt. Jim Allen added the extra point. In the second period Stan Plato capped a long march with a sneak which left the score 13-0 at halftime. Plato again scored on a similar move in the third period making it 19-0. Later in the same period with fourth down on the Bay 25, Dave Reed hit Sam Carrera for the final Falcon tally. The South Lewis defense was superb until the final play of the game when the visitors hit on a desperation pass making the final score 25-7 for S. L.

THE locals traveled to Beaver River where the underrated Beavers and a crew of flag-happy officials combined with Falcon errors to make a close game of what appeared to be a runaway on paper. With B. R. leading 6-0 Dennis Crofoot broke over tackle, got a block, shook off two tacklers and scampered 40 yards to the end zone to even the score. Later, Dave Reed cut back on a scissors play, the blocking was perfect and he went 22 yards to put the Falcons in front. Jim Allen ran for the extra point. In the second half Dave Reed again tallied and as the S. L. club moved goalward again the game appeared in the bag. A big 80 yard run with an interception put the Beavers back in the ball game and not until Charlie Burdick sped 60 yards in the waning minutes was the game sewed up. The final read South Lewis 25 -- Beaver River 12. The win proved expensive as starting tackle Matt Wojnowski was injured and shelved for the remainder of the season.

THE Sandy Creek game was played in a snowstorm and was one that the Falcons would just as soon forget. The Red and White moved the ball pretty well but were plagued by interceptions and defensive lapses. South Lewis was on the short end of a 31-13 score and the only plus feature was the emergence of Lou Karnath at end. The slender transfer caught one long bomb from Plato for a TD and the same two combined for several more completions one of which set up the second touchdown. Plato sneaked the ball in and added the extra point.

THE following Saturday the Falcons played some of their finest football in the first half and led a heavily favored Indian River club 14-7 at halftime. Buckley and Karnath scored the TDs and Jim Allen split the uprights on both conversions. The heat and a determined I. R. team wore the locals down in the second half and we were turned back by a 20-14 margin.

THE South Lewis team then took on a tough Carthage "J. V. (?)" team and the Falcon defense was as tough as the offense was inept. The failure to take advantage of the breaks resulted in a 0-0 tie.

AGAIN failing to capitalize on the breaks the Falcons bowed to an underdog ACAC eleven by a 13-6 score. Stan Plato tallied the only 6 pointer for the homesters in the team's poorest effort of the year.

THE season's final encounter was with league champion Clayton and the South Lewis club rose to the occasion to throw a scare into the Pirates before bowing 14-0. The Falcons showed an ability to move the ball but had several long drives killed by the clock and fumbles.

THE students can be proud of a team whose two wins do not give accurate testimony to the quality of football played. Never were the Falcons outclassed and they earned the reputation of the hardest hitting team in the league. Lack of experience and of depth hurt the team and hopefully, participation will be even better next year. Surely missed will be the fine end play of Dick Burke, the blocking of John Burdick who was probably the league's best tackle, and Jim Allen's offensive speed, defensive savvy, plus his "golden toe." Ron Mackey's aggressive play at center and Stan Plato's passing, running, kicking, and play-calling. The departure of defensive specialist Ken Ossont completely decimates the key linebacking position and Dave Meyers, and Ron Traxel will also be missed.

The South Lewis JV football team in 1964 played a five game sechedule: facing Alexandria Bay, Lowville, Adams Center -- Adams Central and General Brown home, and also General Brown away.

Even though the team failed to win any of its ball games, much experience was gained and the team improved notably as the season progressed. Nearly thirty ninth-grade boys tried out for the team, many never having had any previous experience.

Prospects for 1965 should be brighter with several returning players and a large turnout expected from next years freshmen.

I would like to say that although our record wasn't impressive, I felt that we have taken a tremendous step in promoting better basketball competition at South Lewis. With just a couple of breaks, our record could have been easily reversed making us the top team in the league.

Also, I would like to extend my thanks to the 1964-65 basketball squad (and cheerleaders) for their fine competitive spirit that they have displayed throughout the year.

INTRAMURALS

The intramurals sports program at South Lewis is well rounded to provide enjoyment for the students interested in participating in sports.

The Boys' intramural program consists of badminton, ping-pong, volleyball, and basketball.

Basketball intramurals are designed to give all boys in school a chance to become more familiar with the game. The intramural games provide opportunities for the boys to use the fundamentals of basketball in a game. There are four teams which compete against each other in two divisions. The first division consists of seventh, eighth, and ninth grades; and the second division of the tenth, eleventh, and twelfth grades.

Ping-pong singles and badminton singles and doubles are played in a tournament competition.

The Girls' intramural program consists of field hockey, basketball, volleyball, and softball. The program is set up with teams competing against each other in all of the above mentioned games. Each of these fields are designed to give each girl an opportunity to participate in a game in which she is interested.

Incorporated with the intramural program the G.A.A. has organized one playday so far this year and plans to have another. Participating in our basketball playday were Lowville Academy, Beaver River Central, and Port

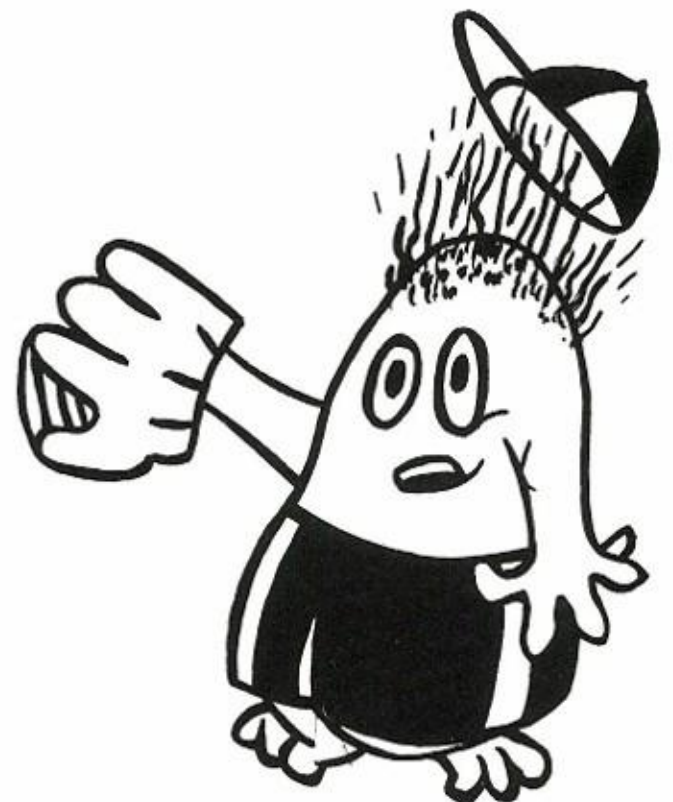

Leyden Central schools. Another playday in which volleyball and minor sports will be featured is planned.

The purpose of the intramural program is to provide all students with the opportunity to take an active part in sports. It helps to promote the development of sportsmanship and school spirit together with a sense of fair play.

BASEBALL

With many new prospects lined up and with many of last year's players returning, the coaches feel that this should be a fine season. The falcons will be inaugurating their new diamond, facing A.C.A.C. April 29th.

During the past year at South Lewis, a Boys' Athletic Association was organized for the purpose of encouraging athletic competition, advocating good sportsmanship and strengthening the school spirit toward athletics.

In organizing the B.A.A., the basic format upon which the G.A.A. was formed in 1963-64, was adopted. A Varsity Club was established whereby any student having earned a varsity letter could become a member. Two representatives of the Varsity Club were selected to serve with the officers of both the B.A.A. and G.A.A. of the Athletic Council. The basic ideals of athletic competition, sportsmanship, and spirit, incorporated in the B.A.A. we hope will develop to their fullest capacity at South Lewis as the years go by.

This organization was established to co-ordinate the intramural and the interschool athletic programs. All girls participating in intramurals are members of the association which plans the intramural program and awards, establishes policy for participation and awards, and arranges any playdays or sports events in the Girls' Physical Education program.

SCHOOL LIFE

With the growing emphasis being put on scholastic achievement, the benefits received from the social activities of the school are often overlooked. Throughout the year there are many events which help make our school an enjoyable place as well as a place of learning.

In the fall there are football games and pep rallies. This past fall we had a new type of pep rally for South Lewis. It consisted of a bonfire with an effigy which we burned and a snake dance, climaxed by a record hop in the gym. Although our football season wasn't an outstanding success, the team's sportsmanship and determination are something we can all be proud of.

With the coming of winter came many enjoyable activities such as dances, the Christmas Ball, drama production and of course the basketball season.

The dances this year have been successful and a lot of fun for everyone, especially the Senior dance.

The first annual Christmas Ball, was a great success in terms of enjoyment gained by all those who attended.

Naturally the biggest attraction of the winter months is basketball. Again our record wasn't outstanding, but we can be sure that our boys were out there doing their best to win and win fairly.

One of the interesting events of this year was the drama production of "Come Alive." This show offered all types of entertainment from childish humor to serious poetry to please everyone's tastes.

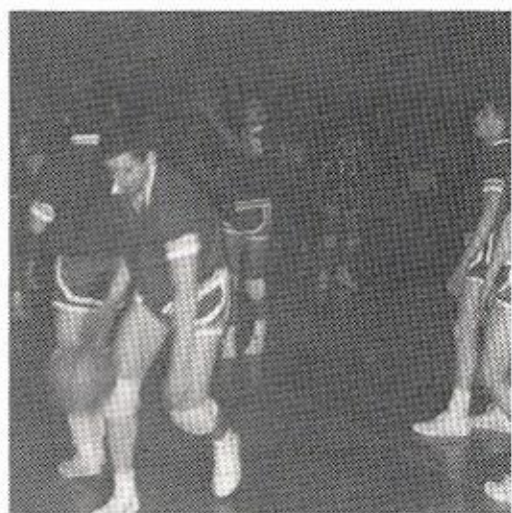

These are, of course, just a few of the activities that have taken place in this last year. However, we feel that they are a good representation of the fun that can be included with education without neglecting homework.

The image features a minimalist, high-contrast design. Two stylized lightning bolts are positioned diagonally, one in the upper right and one in the lower left. The upper bolt is filled with a fine halftone dot pattern, while the lower bolt is solid black. Two thick, solid black horizontal lines intersect these diagonal elements. The word "ADVERTISING" is centered between these two horizontal lines in a black, italicized serif typeface.
